

CONTENTS

*Symposium*

The Metabolic Function of Vitamin A

Chairman: GEORGE WOLF

(Continued from July issue)

SESSION III

Part I—Vitamin A and Enzymes

Introduction. H. B. FELL.....	975
Phenolsulfotransferase in the Developing Rat. J. CARROLL.....	978
Metabolism of Sulfated Mucopolysaccharides in Vitamin A Deficiency. C. A. PASTERNAK AND D. B. THOMAS.....	986
Effect of Vitamin A on Enzymic Conversion of the $\Delta^5$ -3- $\beta$ -Hydroxy- into $\Delta^4$ -3-Oxo-steroids by Adrenals of the Rat. R. GRANGAUD, M. NICOL AND D. DESPLANQUES..	991
Reexamination of Enzyme Activities Thought to Show Evidence of a Coenzyme Role for Vitamin A. W. E. ROGERS, JR.....	1003

*Discussion:*

Some Aspects of Vitamin A Deficiency or Toxicity in Intermediary Metabolism. C. R. SEWARD, G. VAUGHAN MITCHELL AND E. L. HOVE.....	1014
Vitamin A and Copper. T. MOORE.....	1017
Discussion Summary. B. SPENCER.....	1019

Part II—Vitamin A and Membranes

Vitamin A and Membranes. O. A. ROELS, O. R. ANDERSON, N. S. T. LUI, D. O. SHAH AND M. E. TROUT.....	1020
Some Possible Roles for Vitamin A in Membranes: Micelle Formation and Electron Transfer. J. A. LUCY.....	1033

*Discussion:*

Comments. G. A. J. PITT.....	1045
Discussion Summary. J. T. DINGLE.....	1047

Part III—Vitamin A, Differentiation and Reproduction

Vitamin A and Nuclear RNA Synthesis. B. C. JOHNSON, M. KENNEDY AND N. CHIBA.....	1048
--	------

This One

CAEY-EFX-QXBW

## CONTENTS CONTINUED

---

Vitamin A and Protein Synthesis in Mucous Membranes. L. DE LUCA AND G. WOLF.....	1059
Vitamin A in the Development of the Embryo. J. N. THOMPSON.....	1063
Chronic Bovine Hypo- and Hypervitaminosis A and Cerebrospinal Fluid Pressure. H. D. EATON.....	1070
<i>Discussion:</i>	
Comments. K. C. HAYES.....	1081
Comments. M. H. HARDY.....	1085
Comments. J. G. BIERI.....	1086
Role of Vitamin A in Carcinogenesis. U. SAFFIOTTI.....	1088
Comments. M. ZILE.....	1089
Discussion Summary. G. WOLF.....	1091
SESSION IV—Clinical Aspects of Vitamin A Deficiency as Related to Metabolic Function	
Introduction. T. MOORE.....	1095
Clinical Epidemiology of Xerophthalmia in Man. H. A. P. C. OOMEN.....	1098
Hypovitaminosis A and Epidemiology of Xerophthalmia. V. N. PATWARDHAN... ..	1106
Interrelations between Protein and Vitamin A and Metabolism. G. ARROYAVE... ..	1119
Some Aspects of Nutritional Vitamin A Levels in Preschool Children of Beaufort County, South Carolina. E. G. HIGH.....	1129
<i>Discussion:</i>	
Comments. D. S. McLAREN.....	1133
An Unusual Case of Self-Imposed Vitamin A Deficiency. I. M. SHARMAN... ..	1134
Discussion Summary. D. S. McLAREN.....	1135
<b><i>Brief Communication</i></b>	
Blood Keto Acids in Malnutrition. G. A. O. ALLEYNE AND G. H. SCULLARD.....	1139
<b><i>Original Communication</i></b>	
Metabolic Hazards of Fasting. T. LAWLOR AND D. G. WELLS.....	1142
<b><i>Perspectives in Nutrition</i></b>	
Modification of Cow's Milk for Infant Formulas: Current Practices. G. M. OWEN	1150
